Today, Creating a Better Tomorrow

2 CPD credits (ECSA)

Understanding the Concept of Labour Intensive Construction

The Municipal Infrastructure Support Agent (MISA) in partnership with SAICE Professional Development & Projects (SAICE-PDP) invites you to attend this 2-day course which covers the principles and concepts that underpin planning and implementation of LIC/EPWP projects.

Attend this workshop and learn how to:

- Select suitable projects
- Incorporate LIC principles in design
- Specify LIC works and compile contract documentation
- Successfully implement LI projects under the Expanded Public Works Programme (EPWP)

Benefits include:

- Participation in an interactive workshop
- Various practical activities and discussions which will enhance your understanding of LIC
- 2 ECSA CPD Points

Presenters:

Suraya Ramprasad Pr Tech Eng
Devan Govender Pr Eng / PMP
Thando Hlanguza B Tech

Did you know? *The Great Pyramids of Egypt, Taj Mahal, Hoover Dam and Empire State Building have been built using LIC methods!*

- Impact of Training
- Benefits of Training

THE PARTNERS

This workshop is presented in collaboration with Naidu Consulting who have partnered with MISA and COGTA to present LIC courses to address poverty alleviation. They are an accredited CETA Service Provider in this field.

SAICE-PDP's Municipal Academy was established to support practitioners employed in local government with applying theoretical knowledge and relevant legislation in practice.

municipal academy
the road to service delivery

MISA's mandate is to provide technical support and advice to municipalities, whilst strengthening their capacity, for effective infrastructure planning, delivery, operations and maintenance.
